## Manager's Message:

**B**uilding upon a successful 2025, we are looking forward to a busy 2026 here in Whitpain Township. Last year was a full year with the completion of several park projects including the relocation of our tennis courts from Wentz Run Park to the campus of Montgomery County Community College, the creation of pickleball courts at Wentz Run Park, the opening of an inclusive playground at Mermaid Park along with the relocation of our dog park. Work also continued at Wissahickon Park throughout the year.

This year looks to be as busy as we look forward to a spring grand opening celebration at Wissahickon Park. We also anticipate construction will begin on our new community center which is being built at the location of the former dog park at Centre Square Park. The community center will feature two multisport playing courts, an elevated walking track, a fitness center, and a large community meeting room. Although construction timelines are subject to change, the community center should open sometime in 2027.

More about these park projects, upcoming traffic improvement projects, and information about seasonal community events is contained in the pages of this newsletter. For the most up-to-date Township information, please remember to sign up for our weekly electronic newsletter the Wire at [www.whitpaintownship.org](http://www.whitpaintownship.org).

### BOARD OF SUPERVISORS

Scott M. Badami, *Chair*

Kimberly J. Klauder, *Vice Chair*

Robert A. Brunner, *Secretary*

Joyce M. Keller, *Treasurer*

Sara S. Selverian, *Assistant Secretary*

**L**ocal government of the Commonwealth of Pennsylvania is divided into a number of classifications i.e., cities, townships, and boroughs. There are two categories of townships in the Commonwealth – those identified as townships of the first class and those known as townships of the second class. Second class townships make up the greatest bulk of municipalities in Pennsylvania. Whitpain Township is a Township of the Second Class. It is governed by a five-member Board of Supervisors elected at large by the electorate. Most, if not all, of the executive and legislative powers allocated to Whitpain Township in the State Second Class Township Code are vested in the Board of Supervisors. The Board of Supervisors is empowered to appoint professionals to assist them in the operation of the Township and to furnish advice and counsel on technical matters. Additionally, the Board appoints all of the members of the various advisory boards and commissions as well as the Zoning Hearing Board and the Planning Commission.

The levying of Township taxes and the appropriations to the various departments and subsidiary boards and commissions are the responsibility of the Board of Supervisors. During the months of November and December, public hearings are held for the purpose of reviewing the budget for the following year. Residents are encouraged to attend these meetings and to review the proposed Township budget during that time.

## Real Estate Tax Millage And Sewer Rates Unchanged

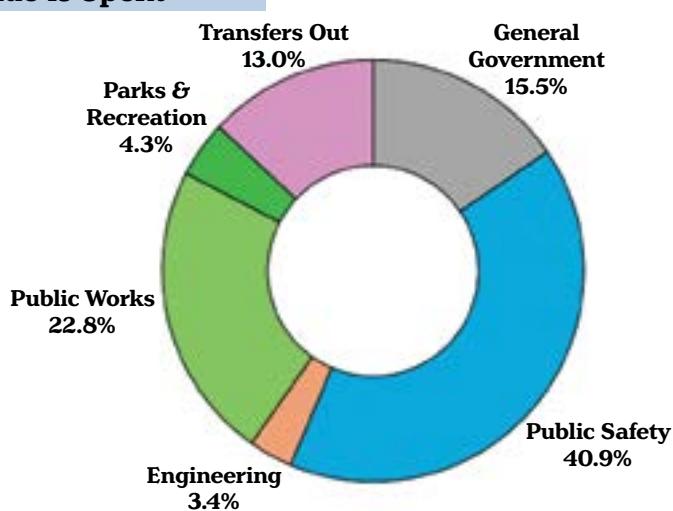

The Board of Supervisors adopted the Township's 2026 budget on December 16, 2025. The budget holds the real estate millage for 2026 steady with sewer rates also unchanged.

"The 2026 Budget is focused on providing high-quality services within the Township's fiscal constraints," said Township Manager Eric Traub. "This includes funding public safety, code enforcement, infrastructure and new parks such as the inclusive playground at Mermaid and Wissahickon Park."

## Traffic Improvements Coming to School Road

This spring, crews will begin working to add traffic capacity, a traffic signal, and pedestrian improvements at the intersection of School Road and Skippack Pike. This project is largely funded by a \$1,460,000 Multimodal Transportation Fund grant which was awarded by PennDOT in late 2024.

The \$1,920,000 overall project cost includes the installation of dedicated left and right turn lanes on School Road and a dedicated left turn lane for motorists traveling from eastbound Skippack Pike onto School Road.

Additionally the project features traffic signalization improvements such as new signal heads, support poles, mast arms, ADA curb ramps, pedestrian crossings, advanced video detection, radar dilemma zone detection and emergency preemption systems.

It is anticipated that the improvements will be in place and the signal will be active in late 2026.

# Cooking Safety

Cooking brings family and friends together, provides an outlet for creativity and can be relaxing. But did you know that cooking fires are the number one cause of home fires and home injuries? By following a few safety tips you can prevent these fires.

## "COOK WITH CAUTION"

- Be on alert! If you are sleepy or have consumed alcohol don't use the stove or stovetop.
- Stay in the kitchen while you are frying, boiling, grilling, or broiling food. If you leave the kitchen for even a short period of time, turn off the stove.
- If you are simmering, baking, or roasting food, check it regularly, remain in the home while food is cooking, and use a timer to remind you that you are cooking.
- Keep anything that can catch fire — oven mitts, wooden utensils, food packaging, towels or curtains — away from your stovetop.

## If you have a small (grease) cooking fire and decide to fight the fire...

- On the stovetop, smother the flames by sliding a lid over the pan and turning off the burner. Leave the pan covered until it is completely cooled.
- For an oven fire, turn off the heat and keep the door closed.

## If you have any doubt about fighting a small fire...

- Just get out! When you leave, close the door behind you to help contain the fire.
- Call 9-1-1 or the local emergency number from outside the home.

## Cooking and Kids

Have a "kid-free zone" of at least 3 feet (1 metre) around the stove and areas where hot food or drink is prepared or carried.

## FACTS

- ! The leading cause of fires in the kitchen is unattended cooking.
- ! Most cooking fires in the home involve the kitchen stove.

## Shade Tree Commission

The Shade Tree Commission is continuing to lead green initiatives throughout the Township. Last year marked the 30th consecutive year the Township was recognized with the coveted “**Tree City USA**” designation by the National Arbor Day Foundation. Additionally, Whitpain is the longest-running recipient in the entire state of the National Arbor Day Foundation’s prestigious “Growth Award.” Please see more of our programs and offerings below and find out more at [www.whitpaintownship.org](http://www.whitpaintownship.org).

### Arbor Day Native Tree Giveaway

The Annual Township Arbor Day Beautification Program is set for Sunday, April 26 at 8 a.m. at Prophecy Creek Park. Once again, the giveaway features a wide range of native species. Along with free trees, free mulch and deer protection will be distributed to Township residents on a first-come, first-served basis.

This is a one-day event and will take place rain or shine. There is a limit of one group of three trees per address or household. No pre-registration is required but homeowners must present identification indicating Whitpain resident status.

## STORMWATER FOR RESIDENTS

### Reduce Rain Runoff - Plant a Tree

Trees are considered green infrastructure, as they can be super useful in managing stormwater runoff. As rain falls on the canopy of a tree, the leaves intercept the rain drops, slowing down the potential erosive force as they gather. Rain then flows off the leaf surface and along the branches and trunk of the tree where it can soak into the ground and be taken up by the tree roots. Of course, trees provide many additional services from the cooling benefits of their shade, cleaner air, carbon capture, and food for wildlife, to name just a few.

### Did You Know?

A single tree can prevent up to 3,000 gallons of runoff a year.

## A Banner Year for Park Projects

New pickleball courts, a large inclusive playground, a relocated dog park, and improved tennis facilities are just some of the park improvements that were completed in 2025.

Given the popularity of pickleball, the Township undertook a pickleball feasibility study in 2024 which showed high demand for courts in Whitpain. Looking to leverage community partnerships, the Township was able to join with Montgomery County Community College to renovate their existing tennis facilities and open them for community use. With tennis relocated to the college's campus, work began to convert the old tennis courts at Wentz Run Park into new pickleball courts. Work was completed in September and a grand opening ceremony to celebrate the addition of 12 new pickleball courts was celebrated on September 16.

Meanwhile Township crews were busy in Mermaid Park where the dog park was relocated from its previous location at Centre Square Park. This move was necessary

to make room for the new community center which will be built at the location of the previous dog park. Crews also built a new inclusive playground at Mermaid Park. The playground is comprised of three nature-based "pods," each offering a variety of sensory, physical and educational experiences for users. The opening of the dog park and the inclusive playground was celebrated with a ribbon cutting ceremony on November 16.

Much progress has also been made on Wissahickon Park in West Ambler. Construction began this spring, and when completed, the new park will feature playing courts, a grass volleyball court, a tot-lot playground for children ages 2-5, a separate playground for older children ages 5-12, and a 0.5-mile paved walking trail around the perimeter of the park. There will also be sidewalk installations to make the

park accessible to the community and additional parking. It is anticipated that a grand opening ceremony to officially open the park will happen in the early spring of 2026.

# DRESS FOR WORKOUT SUCCESS

Sometimes the right gear can make or break your sweat sesh. With a few simple tweaks, you can get your wardrobe workout-ready in no time.

## Stay Well-Heeled

- Get fitted by a professional in at athletic store.
- Give your feet room to swell with a slightly larger size than you'd typically wear.
- Choose a shoe based on comfort, not on construction.
- Replace your shoes when they no longer feel comfortable.

## Support Yourself

- Invest in a sports bra that is supportive but not too tight.
- Men need support too! Sprint for some breathable athletic underwear.

## Be Seen

- Wear lighter colors to be seen at dusk and dawn.
- Use reflective clothing, tape and vests.
- Attach LED lights or reflectors to your shoes.

## Weather Up

- Choose moisture-wicking fabrics instead of cotton.
- When it's cold, dress in layers.
- Invest in a lightweight rain jacket with air vents.
- Wear hats, scarves, and gloves to keep warmth in.

## Protect your Skin

- Avoid blisters with double-layered athletic socks.
- Wear thin layers with flat seams to reduce chafing.
- Look for UV-blocking clothing, hats and sunglasses.

# STONY CREEK DAY CAMP & TRACERS TEEN CAMP

Registration opens for **RESIDENTS** on **THURSDAY, FEBRUARY 26 AT 10AM!**

Registration opens for **NON-RESIDENTS** on **THURSDAY, MARCH 19 AT 10AM!**

**JUNE 22 through AUGUST 7**

**NO CAMP  
FRIDAY,  
JULY 3**

## IMPORTANT CHANGES TO STONY CREEK DAY CAMP/TRACERS

The Whitpain Township Parks and Recreation Department prides itself on offering a high-quality, well-staffed, and engaging camp program. With rising costs and increased difficulty in staffing, we have made some changes to the program to help ensure that a quality camp experience is not sacrificed. These changes will help us manage group sizes, balance staffing, and ensure a smooth and enjoyable experience for every camper. The most notable changes are:

**Limited Enrollment/Grade Caps** – limiting enrollment allows us to better plan for trips and special events and give us a set number of campers so we can hire an appropriate number of staff to keep optimum camper to counselor ratios.

**Registration** – with camp space now limited we are opening registration to Whitpain Township residents first. Non-residents will be able to register approximately one month later if there is space available.

Also new for 2026 the weekly Kona Ice truck visit will be included with your camp registration.

The core of the camp program isn't changing, and campers will still experience weekly trips, in house special events, theme days and more.

**WITH DEDICATED STAFF, STRUCTURED GRADE GROUPS, AND A SUMMER PACKED WITH ACTIVITIES, WE'RE READY TO DELIVER UNFORGETTABLE MEMORIES FOR 2026.**

## DAY CAMP

For campers entering Grades 1-5  
in the 2026-2027 school year

## YOUTH PROGRAMS

### YOUNG REMBRANDTS

A Different Kind of Learning. A Powerful Kind of Fun... Welcome to Young Rembrandts! We teach drawing with a see - touch - do method that all kids can succeed with, learn from and love! We look forward to an exciting year of classes at Whitpain Township.

The secret to our success is that children ALREADY love to draw - we just take their love a little further, by giving them a solid foundation that will take their drawings from doodles to confidence-boosting achievements. During our once-a-week classes, we use an innovative step-by-step approach on drawing topics your kids can relate to and learn from. Watch your child reach a new level of potential with this engaging, award-winning program. Young Rembrandts is a different kind of learning and a powerful kind of fun.

## MAD SCIENCE SPRING BREAK CAMP

**Eureka: Flight to the Future** – Use your imagination and creativity to escape the dangers of an island and make it back into space! Explore technological advances: submarines, boats, stomp rockets, & spacecraft. Discover science fiction through the works of Jules Verne and Isaac Asimov. All campers will build and take home their own sci-fi inspired light sabers!

**Chemical Curiosities** - Become a creative chemist through the investigation of the periodic table and the atoms that make up everything around us! Learn about chemical reactions as you grow crystals. We will experiment oxidizing metals with different chemicals to see how rusty they get, design chromatography bandanas to take home, and even make our very own ice cream!

**USSI SPRING BREAK CAMP** (Min. 16 / Max. 24)

Our **SPRING BREAK Multi Sports camp** gives players the opportunity to experience 3+ sports during a fun-filled camp. Every camp is coached by our professional staff, trained to encourage maximum participation, good sportsmanship, and above all - FUN! USA Sport Group Multi Sports School's Out camp is a must for children who are either new to playing sports or for sports enthusiasts. Our Multi Sports camp allows participants the opportunity to play and learn different sports in a fun and safe setting.

- **Beginner-level players** will learn the fundamentals of each of the sports through fun games and activities, helping to develop their knowledge of the basic rules and techniques needed to become an effective player.
- **Intermediate/advanced level players** will learn more advanced skills needed to master each sport, while also being exposed to competitive scrimmages.

**SATURDAYS, APRIL 18 – JUNE 13 (No class May 23)**

All equipment needed for this class will be provided by The US Sports Institute.

All children will be split into groups based on age and experience level.

**USSI Parent & Me Soccer** (Min. 7 / Max. 12)

Embark on a soccer adventure in a nurturing, non-competitive setting. Guided by their parents, young participants will acquire essential movement skills through dynamic games and activities designed to enhance kicking and dribbling abilities. All of this is facilitated with the support and guidance of a parent by their side. With a parent actively participating beside them, your child will enjoy quality bonding time while learning fundamental skills. Our curriculum is carefully tailored to promote both physical and personal growth, offering excitement and fun in every session, including songs, yoga, soccer games, and an epic obstacle course designed specifically for toddlers. In our "Parent & Me" program, parents play a vital role as active participants. Parents are required to provide 1-to-1 support to their child. If you have two children, one person aged 13 or older can participate to fulfill the additional supervision role. Your enthusiastic engagement is crucial for the program's success. You will be fully involved, offering one-on-one support and guidance to your child. This partnership not only enhances their sports skills but also nurtures valuable life skills such as teamwork and self-confidence.
